Audi

Audi presents a smarter way
to drive an absolutely brilliant car.

Before you decide on a Certified pre-owned car, consider its Past, Present and Future. We do.

- Past:** Introducing the CARFAX® advantage. Your vehicle's most complete history. Only cars with an approved CARFAX Report are considered for our Certified pre-owned program.

- Present:** Here's where our rigorous 300+ Point Inspection and Certification process, the most comprehensive in the industry, begins. From the headlights to the engine to every electrical and safety system, we're thorough.

- Future:** A Factory-Backed Limited Warranty with coverage for up to six years or 100,000 total vehicle miles¹. The balance of the no-charge scheduled maintenance², and the balance of the car's 12-year Corrosion Performance Limited Warranty³, regardless of mileage. Audi 24/7 Roadside Assistance⁴ for the duration of the warranty including Trip Interruption Benefits and Trip Routing Services. A complimentary service loaner as well as 24-hour customer service support and special financing and leasing are available.
